MEMORANDUM FOR: Executive Assistant to the
Deputy Director (Support)

SUBJECT : Proposed Coordination of Visits
Between CIA and Air Force Systems
Command

STAT

REFERENCE : Job #3208-SG

1. Experience of the DD/R has indicated that the concept proposed by the Air Force Systems Command is quite undesirable. I have discussed this problem with Mr. Borel, and he is in agreement and will undertake to get the Systems Command to reduce the scope of their liaison requirements.

2. Therefore, I feel that the present proposed is unacceptable and recommend that it be withdrawn and the subject discussed further after Mr. Borel has obtained clarification from the Air Force Systems Command.
